Headline: Windham Democratic Town Committee unanimously endorses Denise Merrill for Secretary of the State

On Thursday, March 4, 2010, the Windham Democratic Town Committee unanimously endorsed Representative and Majority Leader Denise Merrill for Secretary of the State. Many Town Committee members stated that although Representative Merrill represents Mansfield and Chaplin she has been and is a friend to the Windham area. Her record and accomplishments were praised by former Windham Representatives John Lescoe and Walter Pawelkiewicz. Jeffrey Smith, member of the Windham Board of Finance and former Town of Mansfield Finance Director, said, " Denise lives in Eastern Connecticut and has always had our interests in mind. She and Walter Pawelkiewicz worked hand in hand to met the needs of our area."

There will be a fundraiser for Denise Merrill for Secretary of the State this Sunday, March 14th from 2:00 p.m. to 5:00 p.m. at 122 Windham Street (across from the old Kramer school), the home of Jeffrey Smith and Terri Hebert. Please come and support Denise Merrill for Secretary of the State.

The Windham Democratic Town Committee supports the election of Denise Merrill for Secretary of the State and her views on the operation of the Secretary of the States office.
